

## II. Remarks

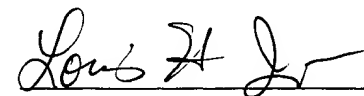

Claims 1-80 were pending in the Application. Claim 6 has been amended. Claims 1-80 remain pending in the Application.

Applicants respectfully request that this Amendment to the Specification be entered into the record. Applicants have provided the Application Serial Numbers for the priority claims, which were unknown at the time of filing the instant application.

Applicants also respectfully request that the Amendment to claim 6 be entered into the record. Applicants have written out an acronym that appears in the Specification in claim 6, and thereafter. "GUID" is defined, for example, in the 2<sup>nd</sup> paragraph of p. 73. No new matter has been introduced into claim 6 through this amendment, and no change in the scope of the claim is intended or foreseeable.

Should any questions arise as to the entry or material in this Preliminary Amendment, a telephone call is requested.

Respectfully submitted,

Louis H. Iselin
